# TOUT BÊTEMENT

PHOTOGRAPHS BY NICOLAS GUILBERT

SCULPTURES BY MARIE CHRISTOPHE

**SATURDAY JULY 4, 2015 FROM 6.30 PM TO 9 PM**

11 RUE DE LA CALADE, 13200 ARLES

During the summer season, FLAIR Galerie will show two unusual artists whose work from the very start took hold of animal figures. The snapshots in color or in black and white by Nicolas Guilbert, and the wire sculptures by Marie Christophe, make up a touching bestiary in which humor and lightness predominate.

With the support of Picto for the exhibition prints of Nicolas Guilbert
